Leading the way

Rockstar provides a complete sealing solution for all natural stone & tile applications.

We manufacture a comprehensive range of high performance sealers and cleaning products for natural stone and all unglazed surfaces. We specialise in stone restoration, stone polishing and stone cleaning and sealing.

MIRACLE CLEANER

- Removes built up dirt and grime
- Dissolves soap scum, grease and fat
- Suits Natural Stone, Porcelain and Concrete
- Removes graffiti
- Excellent grout cleaner

NEUTRAL CLEANER

- Fully biodegradable pH neutral cleaner
- Safe for use on all surfaces
- Excellent daily stone, grout and tile cleaner
- Ideal for maintaining all Natural Stone and all hard surfaces

LIFT OFF

- Removes cement smear, grout haze, rust and hard water stains
- Not to be used on polished Natural Stone surfaces
- Safe to use on Granite, Bluestone and Porcelain Tiles

STONE CLEAN PLUS

- High performance alkaline cleaner
- Removes built up dirt and grime
- Excellent daily floor cleaner for heavy traffic areas
- Ideal for maintaining all Natural Stone and all hard surfaces
- Leaves no residue

BLUESTONE SEALER

- Excellent oil and water repellency
- Excellent penetration into dense substrates
- Minimal change in the appearance of the stone
- Does not inhibit the water-vapour permeability
- Rapid curing
- UV Stable

NATURAL FINISH STONE SEALER

- Solvent based sealer designed to penetrate stone, leaving a natural finish
- Protects against water and oil based contaminants while permitting vapour and salt transmissions
- Suits Marble, Terrazzo, Limestone, Sandstone and Concrete
- Sealed surfaces allow for easier cleaning

CONCRETE SEAL

- Protects surfaces from the spillage of oil, grease and foods
- Environmentally friendly with NO VOCs
- Imparts a Low Sheen finish
- UV stable and non yellowing

GREEN STAR SEALER

- Water based penetrating sealer
- Suits Marble, Limestone, Terrazzo and all Natural Stones
- Green Certified - VOC Compliant
- Antibacterial
- Sealed surfaces allow for easier cleaning

GLOSS SLATE SEAL

- UV stable
- Non yellowing and fast drying
- High resistance to wear in heavy traffic areas
- High gloss finish on Slate and Concrete surfaces
- High solids formulation for long life
- Prevents staining and aids in maintenance

ROCKSTAR SALT STOP

- Reduces salt water penetration, efflorescence and water borne staining
- Water-based, low VOC formulation
- Permanently bonds to the substrate with no peel or blister
- Allows the surface to breathe
- UV, alkali stable and weather resistant
- Silane technology for enhanced surface penetration

“Rockstar Natural Finish Stone Sealer provides excellent protection against staining for the white granite. It appears to be completely protected, with no trace of any staining on the honed and sealed surface”

ASTM International

Sealers available: 1, 5 & 20 Litre

A wide range of sealers suitable for any stone application.

CONSOLIDATOR +

- Reduces salt water penetration, efflorescence, water and oil borne staining
- Internally reinforces friable surfaces
- Permanently bonds to the substrate with no peel or blister
- Allows the surface to breathe
- UV, alkali stable and weather resistant

STONE ENHANCER

- Developed to enrich the colour of worn, faded or damaged stone
- Penetrating and breathable sealer
- Suitable for indoor and outdoor use
- Repels stains and soiling for easier cleaning

TIME SAVER

- Stops water absorption during grouting and clean up
- Reduces salt transmission, efflorescence, mildew and grout haze
- Durable, fast curing, and VOC compliant
- Suits Natural Stone, Terrazzo and Concrete Pavers

Best Seller

ANTI-SLIP

- Anti-Slip treatment for natural stone, porcelain and ceramic tiles
- Provides the floor with Anti-Slip properties with minimal change to the appearance
- Permanently alters the surface of the tile
